CHRONIQUE JUDICIAIRE

LE SECONDE ALEXANDRIEN

Les plaidoiries du procès en séparation intenté par M. Nini à son épouse Olga Constantinidès, en raison de la violence que celle-ci a commise avec le juge Constantin Dinara, ancien président du tribunal consulaire hellénique d'Alexandrie, ont continué vendredi après-midi par devant le tribunal consulaire d'Italie. Président M. le juge Falchi, MM. Annabile Cuno et Errera, juges assesseurs.

A l'ouverture de l'audience, M. Colucci, avocat du demandeur, nie l'authenticité d'une des lettres lues le matin par M. Nini. C'était une lettre adressée à son père par l'épouse qui s'y plaignait des mauvais traitements de son mari. Le juge reconnaît que l'écriture n'est pas celle de Mme Olga. L'avocat de celle-ci explique alors que le document en question n'est pas la copie mais l'original. Il promet de présenter au tribunal le document original.

M. Colucci, après avoir fait ressortir que son nouveau juge est un "fais", comme par M. Nini, Marie Constantinidès, jette l'éponge et se retire. M. Nini a été un mari aimant et à toujours rempli tous ses devoirs. C'est par tentation qu'il peut former des reproches contre sa femme lorsqu'elle était malade. Il avait donc un caractère violent, et il l'aurait empêché de travailler par milliers des circulaires d'été, mais, avant que le jugement soit rendu et qu'il n'est resté d'une brutalité inouïe dans l'incident d'Héliopolis.

M. Colucci reprend chemin de ces chefs d'accusation pour le réformer. Il démontre que M. Nini a été un mari aimant et à toujours rempli tous ses devoirs. C'est par tentation qu'il peut former des reproches contre sa femme lorsqu'elle était malade. Il avait donc un caractère violent, et il l'aurait empêché de travailler par milliers des circulaires d'été, mais, avant que le jugement soit rendu et qu'il n'est resté d'une brutalité inouïe dans l'incident d'Héliopolis.

The Menzaleh Canal and Navigation Co.

THE MENZALEH CANAL & NAVIGATION CO. LTD. L'annonce de la mise en service de ce canal est une bonne nouvelle pour la navigation régulière des vapeurs et des navires de commerce.

Le canal, qui a été construit par le gouvernement égyptien, a une longueur de 100 kilomètres. Il est situé dans le delta du Nil, à l'est de la ville de Sidi Barrani. Le canal est navigable pour les navires de 1000 tonnes.

Le canal est ouvert à la navigation depuis le 1er janvier 1905. Les vapeurs et les navires de commerce peuvent maintenant aller directement de Sidi Barrani à la mer Rouge, sans avoir à faire le détour par le canal de Suez.

Le canal est géré par la Menzaleh Canal and Navigation Co. Ltd. Les tarifs de navigation sont très raisonnables.
